i. — The Rules

The *Rules* of the Kitchen

01

DRINKS

Never abandon a drink anywhere in the room.

02

LAPTOPS

Never abandon a laptop on the island.

03

PERSONAL ITEMS

Keep jackets and bags off all counters and chairs.

— THE GOLDEN RULE —

When you use a dish, *put it in the dishwasher*.
If the dishwasher is full or running, *wash it by hand*.

No third option. No "later." No sink-stacking.

ii. — Daily Rituals

When *You...*

When you *cook*

- ☐ Wipe down the steel counters.
- ☐ Clean the stove top.
- ☐ Clear the sink completely.
- ☐ Return all condiments and sauces to their shelves.
- ☐ Clean every pot you used.
- ☐ Gather and clean all plates and utensils.
- ☐ Spray the air freshener before you leave.

When you *get yourself a drink*

- ☐ Rinse the glass and place it on the drying rack straight away.

When you *make coffee*

- ☐ Throw out the used coffee grinds.
- ☐ Clean the milk frother.

Feel Free *to Use*

These devices are open to everyone. Each is fully self-documenting.

Ice Cream Maker

Popcorn Machine

Smoothie Maker

The *iPad* Index

The iPad mounted at the entrance is the single source of truth for assets, the active replenishment list, and any voiced suggestions or comments.

ACTION

TRIGGER

Find an item

Reference the index on the iPad.

Item is finished

Add it to the Items list and say "Hey Google Home, we are missing [item]."

Tool missing from its rack

Flag it on the iPad so the next user is not blocked.

Meal suggestion

Voice it aloud: "Hey Google Home, add [meal] to the suggestions."

Comment or feedback

Voice it aloud: "Hey Google Home, add [your comment]."

Scan the QR code on each device for instructions.

02	≈	Towels folded, fully dry
03	R	Medicine grouped by type
04	+	First Aid front of shelf, always
05	◇	Tote Bags folded flat
06	▭	Canvas Bags stacked, not slumped

— THE RULE —

Every item returns to *its assigned shelf*, immediately after use.

ALWAYS

- ✓ Return to assigned shelf
- ✓ Check expiry dates
- ✓ Fold neatly first
- ✓ Keep first aid grabbable

NEVER

- ✗ Mix categories
- ✗ Store damp towels
- ✗ Leave expired meds
- ✗ Overstuff bags

If a towel is damp → hang it to dry first, then fold and store.
If medicine is expired → remove and dispose at a pharmacy. If bags slump → empty, refold, restack.

— REMEMBER —

Towels up top · **Medicine** in the middle · **Bags** at the bottom

04	✎	Stationery <i>pens · pencils · markers, capped</i>
05	📁	Notebooks & iPads <i>stacked flat, no weight on top</i>
06	📁	Old Laptops <i>in the labelled box only</i>

— THE RULE —

Every cable, pen and device returns to *its assigned shelf*, immediately after use.

ALWAYS

- ✓ Coil chargers before storing
- ✓ Cap pens and markers
- ✓ Box old laptops
- ✓ Stack notebooks flat

NEVER

- ✗ Leave cables tangled
- ✗ Stack weight on iPads
- ✗ Mix stationery with devices
- ✗ Store damaged batteries

If cables are tangled → untangle, coil, return. If a battery is damaged or leaking → remove, isolate, dispose at recycling. If something heavy is on an iPad → remove, inspect screen.

— REMEMBER —

Chargers, stationery, notebooks, laptops — *each on their own shelf*

03

Sewing Equipment

tools cased, fabric folded

04

Fabric & Supplies

*rolled or folded, no
creases*

— THE RULE —

Every garment lives *inside a fabric box*. Every needle and pin lives *inside a tin or case*. Nothing loose.

ALWAYS

- ✓ Fold and box all clothing
- ✓ Case needles and pins
- ✓ Fold or roll fabric
- ✓ Wash before storing

NEVER

- × Leave clothing loose
- × Mix clothes with sewing
- × Overfill the boxes
- × Store damp or dirty items

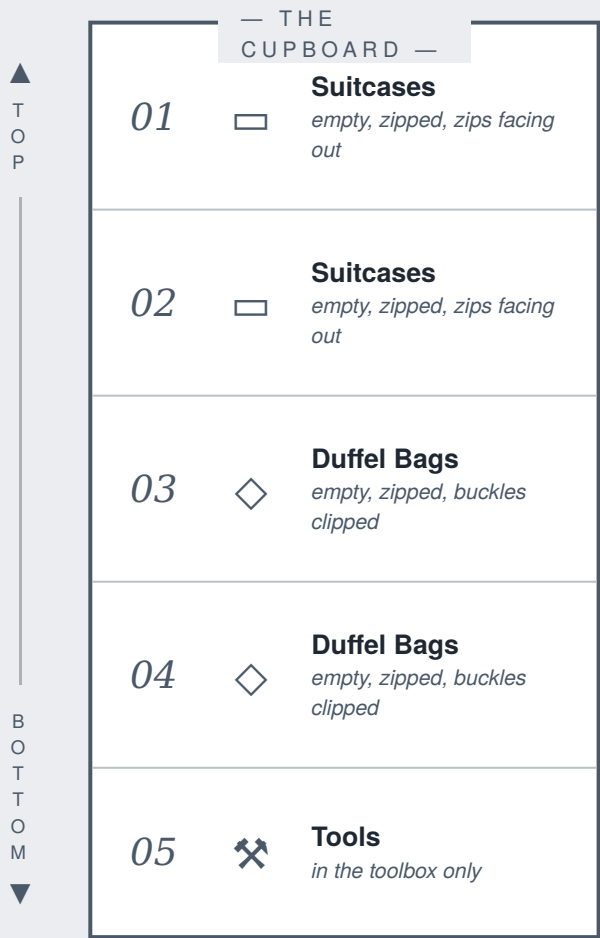

If a box is overfilled → redistribute into a second box. If clothing slips outside its box → refold and return. If something damp was stored → remove, dry, clean the box.

— REMEMBER —

Clothes on top · **Sewing** on the bottom

Storage — Bags & Tools

Empty · Zipped · Clipped — every time

— THE RULE —

Every bag returns *empty*, zipped and clipped. Every tool lives *inside the toolbox*.

ALWAYS

- ✓ Empty bags fully
- ✓ Close zips, clip buckles
- ✓ Keep tools in the toolbox
- ✓ Stack with zips facing out

NEVER

- ✗ Store full or stuffed bags
- ✗ Leave tools loose on shelves
- ✗ Mix tools with bags
- ✗ Store damp or smelly items

If a shelf is overfilled → remove until it closes cleanly. If tools are on a bag shelf → return to the toolbox now. If a bag smells → air-dry or wash before storing.

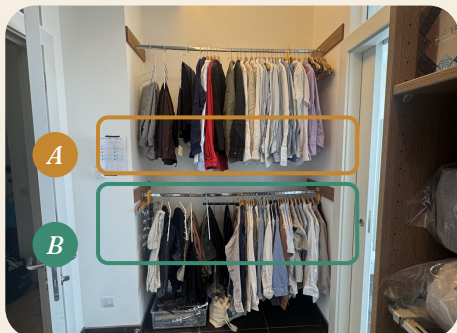

— REMEMBER —

Suitcases on top · **Duffels** in the middle · **Tools** at the bottom

STATES 02

RULE RETURN TO SILHOUETTE

Every tool, lens, drone, and cable *returns to its silhouette, hook, or table — before you leave the room.*

— TWO STATES —

➤ OPENING — VERIFY ON ARRIVAL

The Room is Ready

- ▶ Peripherals match the colour-coded labels
- ▶ Drones sit on their peg-board outlines
- ▶ Printers sit on the shelf
- ▶ Lens count matches the cabinet inventory

✓ ZERO-STATE — ON EXIT

The Room is Reset

- ▶ Peripherals returned to assigned tables
- ▶ Drones home • batteries in charge case
- ▶ Lenses capped • cabinet locked
- ▶ Cables coiled • Canon front-panel off • door locked

— THREE SURFACES —

[01]

Tables

SYSTEM

Colour-coded labels assign each peripheral to a specific table.

[02]

Pegboard

SYSTEM

Drones and accessories have outlined silhouettes or labelled hooks.

[03]

Cabinet

SYSTEM

Lenses tracked against the inventory list inside the cabinet door.

— FAILURE MODES • KNOWN FIXES —

CANON • paper jam

Power off. Open top. Pull paper. **Check no scraps.** Power on.

CANON • streaks

Run nozzle check from touchscreen. Still bad? **Run print head clean.**

CANON • power-down

Front panel only. Never the wall switch — the print head must park.

DJI NEO 2 • protector on at start

Power off. Remove protector. **Power on again.**

DJI NEO 2 • protector misfit

Refit correctly. **Wrong placement deforms the props.**

— ISSUE BOOK • BY THE DOOR —

Anything missing or broken? **Log it before you leave.** One source of truth.

— ROOM IS AT ZERO-STATE WHEN —

Door locked

The Zen Room

One floor · Three purposes · Sleep · Work · Meditation

*The room changes shape four times a day.
Whichever mode is ending, leave it ready for whichever mode is next.*

— THE DAILY RHYTHM —

— GENERAL ETIQUETTE —

Objects

Every object returned before you leave. No experimenting.

Climate

AC remote and tablet by the door.
Always extinguish candles before sleep.

Library

Books rotate weekly. They stay in the room.

The *Six Objects*

Each ritual object · One handling rule

— THE GOVERNING RULE —

*Touch each object **only the way it asks to be touched**. If you don't know — leave it.*

Mabkhar

Charcoal lit with tongs until grey-white, then one chip of oud or bukhoor.

Oud · Frankincense

Fingernail-sized piece per evening. One chip burns fully before adding a second.

Shakuhachi

Blow across, not into, the angled mouthpiece. Wipe inside dry. Rests on its silk sleeve.

Astrolabe

Lift by the mater only — never the rete. Soft cloth only. No polish.

Orrery

Turn slowly in the engraved arrow's direction only. One revolution ≈ one Earth-year.

Rin Bell

Strike on the side with the wooden mallet, never the rim. Three slow strikes — for transitions only.
